step1\_team\_formation

A word cloud visualization of GitHub repository names. The central and largest text is "team-donate-water-project" in a dark grey font. Above it, "ask\_team\_o17" is written in a large orange font. Below the central text, "0\_announcements\_read\_only" is in a medium-sized purple font, and "inprogress-troubleshoot" is in a smaller purple font. At the very bottom, "random" and "general" are in a small green font. The top of the cloud contains several small green text elements: "cslogger-csprojectbuilder-troubleshoot", "ask\_a\_coach", "introductions", "team-water-warriors", "visualcit-troubleshoot", "climategenderjustice", and "crowd4sdg-project".

women-4-sustainable-world

A word cloud visualization of text data. The words are arranged in a circular pattern, with their size and color indicating their frequency or importance. The most prominent words are '0\_announcements\_read\_only' (large, dark grey), 'general' (large, dark grey), 'team-donate-water-project' (large, brown), and 'team-women-for-sustainable-world' (large, green). Other visible words include 'flood-rangers' (green), 'ask\_team\_o17' (orange), 'ask\_a\_coach' (purple), 'rights-of-climate' (green), 'random' (green), 'climategenderjustice' (green), 'team-water-warriors' (orange), and 'women-4-sustainable-world' (green).
